**Donate here!**

**Donate to empower Malawian people in their growth to self-reliance!**

### **2021: Vocational training**

**Situation:** Lack of opportunities after primary education.

**Approach:** Establish a center where young adults can learn a vocation.

**Status:** Land is bought, contributions are spent on building the center.

### **2018 – now: Project Water**

**Situation:** Dependence on rain for successful harvest.

**Approach:** Construction of a water pump powered by solar panels.

**Status:** Water pump still in use for growing food, drinking and washing.
